

Video Statement Requirements

Please prepare a short video statement of interest (~5 minutes long) answering the questions below. Feel free to talk about whatever else you feel is relevant.

- 1) Why are you seeking an internship at T.R.E.E.S?
- 2) How does participation in this internship program relate to your academic or professional development goals?
- 3) Have you ever spent time in isolated communal living situations with other students or colleagues? If so, describe any difficulties you have had (e.g., personality clashes, disagreement about work techniques or about living conditions, personal misunderstandings, etc.) and how you overcame these difficulties.
- 4) Do you have any experience working or living with people of different cultural, social, financial, educational, or religious backgrounds? If so, describe what you learned from this experience.

Please send a copy of your resume, cover letter, and video statement to registration@ecorana.ca once you have completed the Internship Application Form.
